

WHAT VENUES ARE SAYING ABOUT

“Claudia was a smash hit with our audience. Her songs, her stories, her charming wit, and her engaging personality combined to provide all of us with a wonderful evening of entertainment. We are definitely looking forward to her return to our stage in the not-too-distant future.”

Kelson Slayman “Folk at the Cannery” House Concerts, Dataw Island, SC

“I have been hosting concerts for 40 years and house concerts for the last twelve. I would have to say that Claudia Nygaard’s house concert was one of the most personal and engaging of the audience that I have ever seen. She had them from the get-go to the encore. Her strength is in her conviction to the empathy her songs convey, and it shows.”

Paul Barker, Barker House Concerts, Austin, TX
